

## CURRICULUM VITAE

August, 2002

Lee Crandall Park, M.D.  
1205 York Road, Suite 35  
Lutherville, Maryland 21093-6268  
Phone: (410) 321-1276; Fax: (410) 433-8793  
Emails: lpark3@jhmi.edu; lpark3@aya.yale.edu  
Website: www.leecrandallparkmd.net

### EDUCATION:

1944 Grad. Putney Preparatory School, Putney, VT.  
1948 B.S., Yale University (Zoology; Dean's List).  
1952 M.D, Johns Hopkins University School of Medicine (1st Third of Class).  
1952-1953 Intern in Medicine, Osler Service, Johns Hopkins Hospital.  
1953-1955 Medical Officer, USNR: 10 mos. Battalion Surgeon; 10 mos. Psychiatric Residency and Hospital Staff Psychiatrist; 4 mos. Division Psychiatrist 1st Marine Division Korea. (Letter of Appreciation, Commanding Officer, "Outstanding Performance of Duty".)  
1955-1959 Psychiatric Residency Training, Henry Phipps Psychiatric Clinic, Johns Hopkins Hosp. (Psychoanalysis, 1959-1963.)  
1955-1959 Fellow in Psychiatry, Johns Hopkins University.

Diplomate National Board of Medical Examiners (1956). Licensed Maryland (1957) and California (1960).  
Certified by American Board of Psychiatry and Neurology in Psychiatry (1960).

### POSITIONS:

1955-1959 Asst. Psychiatrist, Department of Psychiatry, Johns Hopkins Hospital.  
1959- Staff, Dept. of Psychiatry and Behavioral Sciences, Johns Hopkins Hospital.  
1959-1971 Instructor to Assistant Professor of Psychiatry, School of Medicine, Johns Hopkins University.  
1971- Associate Professor of Psychiatry, School of Medicine, Johns Hopkins University.  
1960-1961 Visiting Psychiatrist, Baltimore City Hospitals.  
1961-1963 Consultant, Metropolitan Baltimore Assn. for Mental Hlth., Inc. (Work Experience Program).  
1961-1973 Physician in charge of Psychiatric Services, Student Health Service, Johns Hopkins University.  
1964-1981 Psychiatric Consultant, Office of Disability Programs, Social Security Administration.  
1964 - Private Practice of Psychiatry (Individual, Group, Marital, Family Therapy; Adolescents, Adults.)  
1966-1973 Attending Staff, Seton Psychiatric Institute. (Executive Coordinating Board 1970 -1973).  
1970- Staff (Associate to Honorary), Department of Medicine, Johns Hopkins Hospital.  
1972-1974 Director, Psychiatric Outpt. Services & Community Psych. Program, Johns Hopkins Hosp.  
1974-1976 Departmental Council, Dept. of Psychiatry and Behavioral Sciences, Johns Hopkins Hosp.  
1974- Courtesy Staff and Preferred Psychiatrist Affiliate, Dept. of Psychiatry and Medicine, Sheppard and Enoch Pratt Hosp.  
1981-1986 Clinical Faculty in the Dept. of Psychology and in the Counseling and Psychiatric Services, Homewood Faculties, Johns Hopkins University.

### MEMBER:

American Psychiatric Association (Distinguished Life Fellow)(Assembly 1983-1993).  
American Medical Association. (Life Member)  
American Psychosomatic Society.  
American and Maryland Societies for Adolescent Psychiatry.  
Society for Psychotherapy Research and N. Amer. Soc. for Psychotherapy Research.  
International Society for the Study of the Personality Disorders.  
American College of Neuropsychopharmacology.  
American and Maryland Associations of Private Practice Psychiatrists.

American Association for the Advancement of Science (Life Fellow).  
 National Association of Scholars  
 American Association of University Professors.  
 Maryland Psychiatric Society (President 1978-1979).  
 Maryland Foundation for Psychiatry (President 2000- ).  
 Maryland Interdisciplinary Council for Children and Adolescents (1978-1998; Treasurer 1980-1987;  
 Membership Committee 1981-1984; Declined presidency due to time limitations).  
 Medical and Chirurgical Faculty of Maryland.  
 Maryland Society for Medical Research (Life Member).  
 Maryland Group Therapy Network (defunct)  
 New York Academy of Sciences.  
 Baltimore City and Baltimore County Medical Societies.  
 Mental Health Assn. of Maryland.  
 Johns Hopkins Medical and Surgical Association.  
 Alumni and Friends Association, Institute of Psychiatry and Human Behavior, University of Maryland.  
 Seton Psychiatric Institute Associates (defunct).  
 Phi Beta Pi Medical Fraternity (defunct).  
 L.S.B. Leakey Foundation

#### RESEARCH:

1. Participation as therapist in Dr. Jerome Frank's study of placebo effect: 1959.
2. Co-Principal Investigator: Controlled study of the interaction of therapists' personal characteristics and of medication (imipramine, placebo) in the treatment of depression, USPHS Grant M-3741A: 1959-1960. (With E.H. Uhlenhuth, M.D.)
3. Methionine ingestion in schizophrenic patients treated with monoamine oxidase inhibitors, USPHS Grant MH-5521: 1961-1962. (With S.S. Kety, M.D. and R.J. Baldessarini, M.D.)
4. Principal and Co-Principal Investigator: NIMH-PRB Outpatient Study of Drug-Set Interaction, USPHS Grant MH-04732: 1960-1968. (With E.H. Uhlenhuth, M.D. and L. Covi, M.D.)
5. Co-Project Director: A controlled Study of Time-Limited Psychotherapy, USPHS Grant MH-16056: 1969-1973. (With E. Meyer, M.D.)
6. Clinical studies of borderline and narcissistic conditions: etiology, characteristics and treatment; Study of long-term effects of childhood emotional abuse, invalidation and neglect; Study of cognitive personality characteristics: 1979-.
7. Psychiatric Research Network, American Psychiatric Assn: 1994-.

#### TEACHING: All at Johns Hopkins Hospital and University:

1. Medical Students, 1955-1965; 1972-1974, and Psychiatric Residents, 1958-1975. Research electives for Students and Residents as listed in School of Medicine Catalog 1964-98.
2. Director, Henry Phipps Psychiatric Clinic Outpt. Group & Supportive Therapy Programs, 1958-1961.
3. Co-Director, Medical School Second Year Lecture Course, "Introduction to Psychopathology", with Jerome D. Frank, M.D. and John B. Imboden, M.D., 1962-1965.
4. Director of Seminars, Graduate Nurse Education Program, Henry Phipps Psych. Clinic, 1962-1965.
5. Psychologists & Mental Hlth. Counselors: Counseling & Psychiat. Service, Homewood Campus, 1982-86.

#### OTHER:

1. American Psychiatric Association:
  - (a) Co-Chairman, Session on Control of Drug Usage, 1965 Annual Meeting.
  - (b) Secretary, Session on Psychobiological and Pharmacological Studies of Manias and Depressions, 1971 Annual Meeting.
  - (c) Reviewer, American Journal of Psychiatry, 1978-1994.
  - (d) Assembly of the American Psychiatric Assn. (Representative from Maryland), 1983-1993.

- (e) APA Psychiatric Research Network, 1994-.
- 2. Maryland Foundation for Psychiatry Offices: Board of Directors, 1995-; President, 2000-.
- 3. Psychiatric Consultant, College of Notre Dame, Baltimore, 1973-1976.
- 4. Chairman, Professional Associates Division, 1979-1980 and 1980-1981 Annual Giving Campaigns, Sheppard and Enoch Pratt Hospital.
- 5. Class Agent, Annual Giving Program, The Putney School, Putney Vermont, 1981-1985.
- 6. Listed in American Men and Women of Science, Marquis Who's Who in America, Marquis Who's Who in the World, and ABMS Directory of Board Certified Medical Specialists.

#### LECTURES, SEMINARS, INTERVIEWS AND PRESENTATIONS:

- 1. "The Antidepressive Drugs: A Tentative Appraisal of Their Usefulness and Limitations", Johns Hopkins Medical Institutions, Postgraduate Program. Hurd Hall, 1961.
- 2. "Drug Abuse", The Park School, Brooklandville, MD., 1963.
- 3. "Psychiatry for the Internist", American College of Physicians, University of Maryland, 1964.
- 4. "Emotional Problems of the College Student", Panel Discussion presented by Mount Saint Agnes College, WBAL-TV, Baltimore, March 15, 1964.
- 5. "Symptom and Nonsymptom Focused Criteria of Outpatient Drug Efficacy, 118th Annual Meeting, American Psychiatric Assn., NY, May, 1965.
- 6. Discussant: "Placebo Effects, Factors Influencing Subjective Response, and the Relationships between Psychotherapy and Psychotropic Drugs", Clinical Psychopharmacology Seminars, Johns Hop. Hosp., 1966.
- 7. Effects of Informed Consent on Research Patients and Study Results", 120th Annual Meeting, American Psychiatric Assn., Detroit, MI, May, 1967.
- 8. "Ethics of Human Experimentation", Conjoint Clinic, Turner Auditorium, Johns Hopkins Hosp., 1969.
- 9. "Problems in Clinical Psychopharmacological Research", National Naval Medical Center, Bethesda, 1969.
- 10. Discussant: "Biochemical Aspects of Clinical Psychopharmacology", 123rd Annual Meeting, American Psychiatric Assn., San Francisco, CA, 1970.
- 11. The Evaluation of Brief Psychotherapy", Psychiatric Liaison Service, Johns Hopkins Hospital, 1970.
- 12. "Patient Preparation for Brief Psychotherapy", Psychiatric Liaison Service, Johns Hopkins Hospital, 1971.
- 13. "Non-Specific Factors in Psychotherapy", Seminars in Psychosomatic Medicine, Johns Hop. Hosp., 1971.
- 14. "Tribute to Jerome D. Frank", Scientific Program in Honor of Dr. Frank at his retirement, Hurd Hall Auditorium, Johns Hopkins Hospital, Oct. 19, 1974.
- 15. "Emotional Problems of Adolescence", St. Paul's School, Brooklandville, Md., April, 1977.
- 16. "Heinz Kohut", The Henry Phipps Psychiatric Clinic, Johns Hopkins Hospital, Nov.30, 1983.
- 17. "Heinz Kohut, Otto Kernberg and Jacques Lacan", The Henry Phipps Psychiatric Clinic, Johns Hopkins Hospital, Oct. 17 and 24, 1984.
- 18. "The Gifted Borderline: An Heuristic Hypothesis for New Directions in Research", Department of Psychology, University of Texas, Austin, Texas, March 9, 1990.
- 19. "Giftedness and Psychological Abuse in BPD", 145th Annual Mtng., Am. Psychiatric Assn., Wash. D.C., May, 1992.
- 20. "The Child Abuse and Neglect Movement: The New Emphasis on Emotional and Verbal Abuse", Radio WCTR-AM, Chestertown, Md., June 1992.
- 21. "Borderline Personality Disorder", Channel 13, Baltimore, Md., 9/16 and 9/17/93 (with Sandra Pinkney).
- 22. "Borderline Personality Disorder", Video Medical News, Ivanhoe Communications. (Broadcast in over 150 cities in U.S. and Canada, 1993 - 1996).
